INDIAN POSTS AND TELEGRAPHS DEPARTMENT.

OFFICE OF THE SUPERINTENDENT OF POST OFFICES, BANGALORE DIVISION.

Abstract Notification No. G. 39—2, *dated Bangalore, 20th April* 1939.

CALL FOR TENDERS FOR THE TIPTUR-NAVILE AND TIPTUR-NONVINKERE MOTOR MAIL CONTRACTS.

Attention is invited to the detailed notification appearing on pages 727 and 728 of Part VI of the *Mysore Gazette*, dated the 13th April 1939. The last date for tenders is 1st May 1939.

M. A. HAMID KHAN,
Superintendent of Post Offices,
Bangalore Division.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHT, KOLAR GOLD FIELDS.

Notification dated 25th April 1939.

Notice is hereby given that sealed tenders will be received from Licensed Electrical Contractors at the Office of the Superintendent, Power and Light, Kolar Gold Fields, up to 3-0 P.M. on 15th May 1939, for the electrification of Railway Station and Platform at Kolar.

The quantities are not guaranteed. The work should be completed before the 30th May 1939.

2. The place and conditions may be ascertained from the Assistant Superintendent of Rural Areas, Kolar.

3. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items will be executed. The materials to be used on the work should strictly conform to the specifications and executed as per Regulations of the Department.

4. Each tender must be accompanied by a deposit of Rs. 30 in cash as Earnest Money and be superscribed "Tender for the Electrification of Railway Station and Platform at Kolar," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Superintendent, Power and Light, Kolar Gold Fields, who does not bind himself to accept the lowest tender or assign any reason whatever for the rejection of the tender.

6. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual agreement, in default of which his tender will be considered as cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the Notice Board in the Office of the Superintendent, Power and Light, Kolar Gold Fields, and of the Assistant Superintendent of Rural Areas, Kolar, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the Earnest Money on rejected tenders will be refunded.

9. Materials that may be found necessary during execution should be supplied by the contractor himself.

10. In all matters not specifically provided for, the decision of the Superintendent, Power and Light Kolar Gold Fields, will be final and legally binding.

11. The tenders should be drawn up strictly in conformity with the specifications furnished, writing out the rates at which each item will be executed, in figures as well as in words, failing which no cognisance will be taken of the tender.

12. The materials to be used on the work should be of best quality conforming to the specification of this Department and B. S. or A. I. E. E. specification. Teak wood planks to be used on the work should be free from knots, cracks and well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only the lap joints should be adopted in all cases. Lamp holders, ceiling roses, etc., should be of reinforced bakelite material.

13. A period of two weeks will be allowed for the completion of the work in all respects from the date of final acceptance of the tender. A penalty of Rs. 10 for each day of delay over the stipulated period for completion of the work during the 1st week and Rs. 20 in the 2nd week will be enforced. If there be further delay, the Department will take charge of the installation at whatever stage it might be and arrange for the completion entirely at the risk of the tenderer.

14. Approximate quantities of materials required for the Electrification of Railway Station and Platform at Kolar :—
